Platinum Building Management

To whom it may concern

**RE Ricky Korvi Director of Platinum Building Management**

Ricky Korvi has effectively managed a number of buildings for me in the last 5 years.

Ricky is a very hands on manager which results in high customer satisfaction. He has also served on Executive Committee's which means he has an intimate understanding of how the Strata laws operate and what is and isn't a strata issue. This has proven invaluable on many occasions and saved Owners Corporation's considerable sums of money.

Please feel free to contact me if you require further information.

Yours sincerely
